Thank you, Wayne and Sue Atchley
We have spent some great years together in the breeding business.
You joined us to purchase "The Invester" sight unseen, and
helped us to write a happy ending to the final chapter of his story.
As a team, we produced many of his best offspring and then saw him
through to take his place in the AQHA Hall of Fame.
What a great ride we all had.....

With appreciation,
Dan and Carol McWhirter
